

MISSIONS REPORT
JUAN AND CINDY GONZALEZ
SERVING IN TANTOYUCA, VERACRUZ, MEXICO
JULY 2, 2016

Dear Brethren, Friends and Family:

Greetings from Tantoyuca. It is always a joy to be able to write you and inform you about the things that are happening in our part of the world.

We are so excited about what God is doing and that we are partakers in his work. We are getting involved in the lives of the people and are beginning to see some results. The kids are so happy we are there for their needs and also to be able to assist their parents. The work takes another shape when we start to make disciples, and train leaders. Please pray for us, we need it so much.

Trip to Poza Rica.

I have been witnessing to Javier for almost two years and when his mother got sick and had to a hospital in another city that is two and half hours from Tantoyuca, we took the trip. Believe it or not I had, for the first time in my life, three flat tires on the highway the same day. (It took me two weeks to recover!) Anyway, this young man came to the church for the very first time June 19th. He didn't accept Christ but at least he made the effort.

Trip to Tuxpan

We have two families in the church, one with three girls and the other with three girls and two boys and they struggle financially especially to buy clothes for the kids. So we went to the nearest Wal-Mart which is in Tuxpan about 1 and ½ hours south and bought each girl a summer dress and shirt and pants for the youngest boy. They were so happy, and now they come to almost every service wearing these clothes!

Church Building

There are actually a lot of dogs coming around our property, and they come in to the building during the services and we are so tired of it. So we have been doing some projects to keep them out. We put a new fence up and filled the lower ground with dirt, so hopefully this will control our pest/pet problem.

Father's Day

For this activity we spent almost all the money we had in our treasury but it was worthwhile. There were 53 present that day, there were 8 fathers. I regret to inform you there were no professions of faith that day, however we are still working with these men. Three of them are from our group of leaders, one was Javier, our first-time visitor and another man, Macario is sincerely searching for the Lord and fighting many obstacles.

Trip to Florida

By the time you read this report I will be traveling to the Florida State Association to fellowship with the churches and to preach the missions sermon. Please pray for me.
